AIR CLEANERS IN RESIDENTIAL ACCOMMODATION OF NORTH SEA OIL RIG

ABOUT THE PROJECT

Camfil was approached by MSV Regalia off shore rig to supply air cleaners for use within the accommodation quarters of the North Sea oil rig. The client required the air to be cleaned within the smoking areas and the TV room in the communal areas.

SOLUTION

Camfil supplied the CamCleaner 800 and the CamCleaner 2000 which were ideal for cleaning the air in the required spaces.

ADVANTAGES OF THE CAMCLEANER:

- Healthier employees
- Less cleaning
- Lower energy costs
- Reduced environmental impact
- Clean products, fewer operational disruptions

RESULTS

Since supplying MSV Regalia with Camfil air cleaners, they have been in use 24/7 and the air quality has been significantly improved.

For residential air cleaners or to find out more about the CamCleaner range of products, email uk.filtersales@camfil.com or call 01706 238000
